On February 7, 1991 my secretary, Charlyn Lambert, received a call from S.E. Joe DeCanio with the Camden County Council #335 concerning a letter of representation which he received from an attorney for [REDACTED] and his parents, [REDACTED]. Charlyn's notes on that phone call are attached for your information. At that time Mr. DeCanio stated that he had sent the necessary letters to remove Mr. Centrella and Mr. Moxford from registration and that they had forwarded that information to National. Upon checking with Claire Miller we found that the information on Mr. Moxford and Mr. Centrella was never received by your department. Scout Executive DeCanio is resending the information he has and you should receive it shortly.

Dear Mr. Centrella:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Kevin Halpern
Council President

CHRONOLOGICAL SEQUENCE
Matthew Bretz - Troop 155

Received telephone call from Principal [REDACTED] regarding students discussing an alleged incident that took place while they were camping at Pine Hill Scout Reservation sometime before Christmas, 1989 as members of Troop 155, Berlin Township. [REDACTED] name was mentioned.

I called intake unit of The State of New Jersey Division of Youth & Family Services to report incident. After consultation with the Council President and Commissioner called [REDACTED] (father) to find out who was involved. Father stated he didn't know all details but would be happy to meet with Council officer to relate what he did know. He did not show up for the meeting. Called his home, no answer. The next morning I reached him at work and he stated his wife had a stomach problem the evening before and they had to go to the emergency room for treatment. He wished to reschedule as soon as his wife was better.

Received a call from Linda Higgs (investigator) Division Youth & Family Services to set up appointment to review case. At the subsequent meeting Mrs. Higgs related that while camping at Pine Hill in November new members of Troop 155 were "initiated". Said initiation consisted of stripping the subjects and paddling them on the buttocks. It was learned that said event was allegedly done by Arthur Centrella, Assistant Scoutmaster of Troop 155. Scoutmaster James Moxford walked in while event was in process and told those present "to knock it off" then left the cabin.

Shared registration records with Mrs. Higgs and explained that we would deny registration with the principles based on her report.

Letter of registration denial delivered to Moxford and Centralla. Both removed from registration rolls. Troop 155 has been reorganized under new leadership.

County Prosecutors office requested copies of registration denial letters sent to Moxford and Centrella.

Received call from Russ Evans, investigator, requesting copy of termination of registration letter to Moxford.

Received letter from Attorney Phillip Faccenda, called Debra Griffiths at home office same day letter received.

To date have heard nothing further from Division of Youth & Family Services or Camden County Prosecutor Office. The State Division of Youth & Family Services sends a complete report with recommendation at the conclusion of its investigation.
